

Panola Early College High School

Tutoring Schedule

2021-22

Panola Early College High School offers all students free tutoring and the opportunity to receive help each day from Monday through Thursday beginning at 1pm until 2:45pm. Panola Early College High School also has a Math tutor which is available each day to assist those students that need extra help in mastering high school math.

Panola College also provides all students with Free online tutoring through the Upswing portal: <https://panola.upswing.io/>

The goal is to provide free, confidential, and convenient academic support to Panola College students in an online environment. They exist to help students achieve academic independence. Tutoring is done either with Panola College personnel or an Upswing Coach.
